COMMUNICATION

On May 5, 2004, our firm submitted an Amendment/Response for the above referenced patent application. Unfortunately, the serial number on both the caption section of the Response and the postcard included a typographical error. The postcard and Response show the serial number to be 09/417,777. The correct serial number is 09/471,777.

On or around May 12, 2004, we discovered this typographical error and my secretary Ann Pommier, spoke by telephone with Tina Katcheves at the USPTO. Ms. Katcheves instructed us to file this communication so that the Response/Amendment (showing the incorrect serial number) can be routed to the correct file.

Please be advised that formal drawings were also submitted with the Response/Amendment. If another copy of the formal drawings is required, please let us know and we will gladly submit the drawings again.

Any inquiry regarding this matter should be directed to me at (612) 607-7508.

Respectfully submitted,
